

Epsilon Sigma Phi- Alpha Sigma Wisconsin Chapter 2010-2011 Global Relations Committee Report

Respectfully Submitted by Jenny Wehmeier & Faden Fulleylove-Krause, Chairs

Committee Members: Sue Buck, Bev Doll, Todd Johnson, Gary Kirking, Janet Piltz, Marie Stafford and Trisha Wagner

The Global Relations Committee works to support international work of ESP members and the Extension system to build the capacity of Extension professionals to help local communities better understand their communities in a global context.

The Global Relations Committee and University International Committee held two joint Wisline conferences in October and February to further advance the goals of the committees. As a result of these Wislines:

1. Articles were submitted for both the Wisconsin and National ESP newsletters reflecting the International work of Wisconsin.
2. A poster session proposal was accepted at the 2011 Joint Council of Extension Professionals (JCEP).
3. Communication between the two groups was enhanced through May 2010 and February 2011 Wisline meetings.
